# 37mm SLIM

MIDRAIL

AUTHENTIC APPEARANCE

IDEAL FOR CONSERVATION AREAS

PERFECT TIMBER ALTERNATIVE

SLEEK STREAMLINED PROFILE

ELEGANT SIGHT LINES

As a distinguished leader in the window and door industry, we're set to redefine the standards of sliding sash windows with the launch of our latest innovation – the slim midrail.

Measuring a mere 37mm, this new midrail option is a game-changer! More than 10mm slimmer than its standard counterpart, it's considered more authentic, matching the midrail on traditional Victorian sash windows.
